“ *Nina was my first cousin. We spent a lot of time together when we were kids. However, as adults we all moved in different directions. I do have pictures of a great time in CO when we were kids and a good memory of all of us being together at the Providence Lutheran Church's 100th anniversary .a few years ago. Please accept our condolence. Valera Sammann Tate*

“ *I will miss Nina so very much. She was a piece of my family in my heart. She volunteered with me at Mercy Manna and we quickly became close friends. I know she is rejoicing with the Lord. My heart misses her already. We laughed and shared our joys, heartaches, and family with each other all the time. She was a great woman and friend. My condolences go out to her family during this time.*
