“ *Lyn was such a sweet person with a huge heart. She always asked how our mom was doing and they became close friends. I just loved her. We spent a lot of time over at her house growing up because Barbie and I were very close friends. Lyn was like a second mom to me and kept a watchful eye on us to be sure we were safe and that we were behaving. We will miss that sweet smile and those kind eyes. Our prayers are with the family for peace, strength, and comfort.*
