

Oneta Gay Hall

February 5, 1935 - June 17, 2022

Oneta Gay Hall, 87, of Lubbock, TX passed away June 17, 2022.

Oneta was born February 5, 1935, in Wilson Community, Comanche County, Texas, to Earl Hall and Dovie Hall. She married the love of her life and best friend, Jimmie Ray Hall on July 27, 1950. Jim and Oneta moved to Lubbock, Texas in 1957 so Jim could take a job with Texas Tech University in the Chemistry Department. Oneta was a home maker taking care of her three children. In 1965 she went to work for LISD and worked there until 1968 when she went to work for the Texas Tech Home Economics Department. She worked there until 1975. After staying home for a few years, she went to work for LISD again in the Adult Probation Program and worked there for 18 years. Her and Jim were very active in the church throughout their marriage. She was very proud and honored to have worked with many children in the children's missionette program for many years, bringing many young ones to the Lord. She also loved to quilt and made many quilts with the help of her daughter, Chris. Many of these quilts were donated to the missionaries. She had boundless energy when it came to her family and her church ministries.

She loved her family and enjoyed every chance she got to be with them, to cook for them and to share her cooking knowledge and favorite recipes. She was an excellent cook and baker.

Left behind to cherish her memory are the love of her life, Jimmie Ray Hall, two sons, Richard Lynn Hall of Fetus, Missouri, Jimmie Glynn Hall (Mary) of Mesquite Texas, one daughter, Chris Christian of Lubbock, Texas, one brother Weldon Hall of Altus, Oklahoma, four grandchildren, eight great-grandchildren, one great- great- granddaughter and many nieces, nephews and friends.

“ Grannie made the best pies! My most favorite, as a kid, were her Chocolate pies with merengue! She baked lots of love in everything that she made!! ☐

Her heart was so big, she was always full of love and LOTS of patience, and I know good & well she was quite tested with all of the challenging children, grandchildren, etc...but she wouldn't show it, not that I could see or notice! Patience of a SAINT, I tell ya!! 😊

RIP My beautiful Grannie 🕊️🙏
Until we meet again. I love you...💖🦋🌹🌸🌻

“ My precious momma, she suffered with Parkinson for 13 years and Parkinson dementia for 4 years. I can say from experience it is a very cruel, unforgiving disease. My heart is broke that my mom suffered for so long. We had very little support until the last month of her illness. Then we had a young lady that worked for Home Instead who was assigned to my mom and she took great care of my mom. I will always be grateful for her compassion and knowledge of how to care for my mom. I know she is now whole, working the streets of gold with her saviour, Jesus and having the best time with her twin sister, Oleta and rest of her family. I can picture them talking each other ears off trying to get caught up. Mom I will see you in heaven, be sure and watch for me. Love you with all my heart. Your loving daughter and care giver. Chris
