“ I met parks about 20 years ago it was 15 degrees outside made my life and my three kids had one hour to move my mobile home off of the property it was on or they were going to seize it I had no one to help me constables are sitting in the driveway landlord was running her mouth had no heat electricity just about ready to give up and Parks Drives By never met him before in my life and volunteers to move my mobile home with a F-150 Ford pickup which is virtually impossible everyone laughed when he said that he could do it said the mobile home was too heavy they were right when we hooked on to it is bumper went all the way to the ground 5 minutes later Parks pulls up 4 by 4 fence post out of the ground Stitch It Up underneath the bed of his truck on top of his leaf springs red touches my mobile home and we drive the hell off constable and landlord is shaking her head I even had my doubts but I got it worked, to make a long story short can you help me move it about 20 miles away and help me set it up and would not accept any money from me he's the only person in my life that ever help me do anything didn't did not want money I just couldn't understand it I couldn't figure out what the catch was there was no catch he just a man with a heart of gold never met anyone like him he would always help anyone that needs a place to stay or something to eat whether he knew you or not ' he Would even continue to help the ones that previously used him for his money and stolen from him he would still not turn them away he would not turn anybody away the ones that did use him they know who they are and he does too he always did just know he's looking down on all of us now I can only hope and pray let the ones that were truly his friends up until the end or not at his house robbing him blind right now for some reason they are I can only pray for you all rest in peace I love you brother you will be missed you will always be my best friend God bless you Brandon fry

“ Parks i miss you so much .Why you why now .I just dont understand how this could happen .Is because of you that Im the person i am today .You taught me thats theres more to life than being a horrible person.It was you that taught me that money isn't all that life's about. That I treat people with dignity and respect and never put people down for any reason .But there's one thing ill never change and that's ill still always try and save the world. I miss you cousin .Angie
