Her family moved to Anton in 1949 where she attended school.

During this time many of her clients also became

her friends.

Additionally she model clothes and won hair shows with Wanda Edward's styling in Fort Worth and modeled for hair advertising in Lubbock where she owned her own salon at one time.

She is survived by her three daughters: Tonya Hettler and her husband Alan, Rhonda Tate, and Sandra Zoch; 7 grandchildren: Rachel, Amanda, Dustin, Rhody, Paxton, Christopher and Garrett; 11 great grandchildren; and one great-great grandson. She is also survived by two brothers and their wives: Carlton & Jane Parker and Mac & Lynda Parker; one sister-in-law, Charlsie Parker along with a niece and 5 nephews.

She was preceded in death by her parents Monroe & Floy and two brothers, James and Tim Parker.

“ *My deepest sympathy to you, Rhonda, Tonya and Sandi. I'm thankful for Patti always being there for me back when I needed her the most. She was at our wedding, even helped make my wedding dress, worked in my salon, modeled my hair styles as we entered many shows and always won. My kids and you girls grew up together for a few years. Patti was always there with good advice when I needed it back then.*

So many wonderful memories!

I loved her dearly and I love you girls. So, Patti, until we meet again up in heaven, I'll carry you on my heart. WANDA

R I P my friend, you were the best friend I ever had, you were always there when I needed you. We raised our little ones together and worked together in my hair salon where you were my model as we attended hair shows and always won. You were at our wedding and helped make my dress (which I still have). Even though you're gone from this earth, you will always be in my heart. Love you and your girls forever.

“ I will miss my Aunt Pat very much. She was always my favorite. I know you are not supposed to have favorites, but she was mine. I remember when she was looking for a house to buy. I had spent the night with her and she was taking me home and I saw the house on 42nd and Slide road. I told her “You can buy that one, that way you can be closer to me.” And she bought it! I spent a lot good times with her in that house. I am really going to miss her. All my love and prayers to my cousins and family. I love y’all! ❤️
