“ She was a very special lady to me. I guess I took her as my second mom and she thought of me as a daughter. She will be greatly missed. I'm so glad that I got to see her the night she passed. I will always have a special place in my heart for her. We had lots of laughs and talks when she would come play bingo. She loved our catfish, she ate it every time she came to bingo. Lots of love your way until I see you again!
