“ *To all of David's Family,
I knew David through work for over ten years. He was one of my customers. In all those years he was always great to work with, never a harsh word, never demanding, and when things went wrong he was totally understanding and we'd get things worked out without a hitch. We would sometimes talk of other things besides 'work' such as family, friends, grilling, etc. I'm sure me and all the others at his nursery will miss him. Rest in Peace.*
