*I am a building manager of an apartment building in Vancouver Canada. I came across a box of letters sent from a Penny Bradford to J.K. Bradford in Toronto and Belleville Ontario. They are very old from the 60's. I was wondering if this is related to This Penny Bradford. Please contact me at [tcrowston@morethanaroom.org](mailto:tcrowston@morethanaroom.org) as i would love to return these letters to the correct family.*

“ *As I contemplate Penelope Ruth, I am a little girl all over again as I review our lives as "no drama, bike riding, cherry picking, bubble blowing, Monkees loving, boy teasing, all day swimming, trampoline jumping, bruise legged, straight down the mountain-snow skiing, God fearing-NOT people fearing, truth seeking, brave girls! Penny gave her life to Jesus before I did and now has stepped eternally into His arms before I will. What a GIFT to have known her so many precious years. Not sure I ever paid her back for breaking up with that boy for me. But that is Penny! I will see you soon, my friend!!!!*

“ You will be in my prayers. Kim and Keith will always remember all the kindness their big sisters showed them. Our hearts are heavy with the news. A life well-lived doesn't end anymore than music ends, it echoes through time with whispers of beauty and grace. If we listen, we can hear the encore with our hearts, for the song plays on, just as love lives on.
