“ *Pat was the most beautiful lady that I've ever met. She was friends with my sisters Kay Jackson and Diane Bagwell and they invited her and Gary to one of our family functions and I met them. From then on until she got to feeling badly they attended most of our events. We send our condolences, prayers and love to you Gary and the rest of the family. She was so beautiful inside and out. God received a beautiful person to fill his garden. Remember he takes the best.*

“ I am going to miss this sweet lady. We have shared so much from Bingo, our visits and opening up our hearts to each other. We shared all our worries, our sorrows and our happiness. We supported each other through life's hardships. That is what a true friendship is all about. We have laughed until tears rolled down our cheeks. We shared our birthdays and Christmas with gifts and yummy goodies. I have many material things I can look at and remember they are from Pat but I have so much more than material gifts I have precious memories of the sweetest woman I know with the biggest heart. I wouldnt trade my memories for anything. We talked and shared our beliefs in our Lord Jesus and she always told me she was ready when he called her home. I told her that I am ready too. I am praying for her sweet family for peace and comfort in this difficult time. She is wrapped in the loving arms of our Savior now. No pain, no sorrow only joy and happiness now and she will eagerly and patiently wait for us. We will all see her again. i believe in the lord's promises and he says we will unite in heaven. She will always be with you because she will be in your heart . Cherish your memories because they really do help comfort you. You will be so missed Pat but never forgotten. You are loved by many.
