“ Wow. I just found out my friend died. Oh had no idea. Don't even what happened my heart just broke into a thousand pieces. I'm so ... so... so... beyond devastated I love you Perry. You saved me in many many ways. Just knowing you are gone, I feel so lost . I pray you are with me still. Because without you , I wasn't much. I love you sweet man. You are always a part of me. But you know that already. All my love to you.

“Perry was Buzz Rutherford's best friend, but it didn't stop there. After Buzz passed, Perry looked after Buzz' mother like she was his own. Without his loyal support and help, the overwhelming task of moving Nancy would have been impossible! Perry will be remembered as a beloved and loyal friend who was willing to help those in need. He will be dearly missed.

To his family: we will be praying that the Lord will comfort you and walk closely by your side in the days to come as you begin the hard task of doing life without him.

*Blessings,
Sue (Nancy's niece from Oklahoma)*

“ You mean the world to me and I don't know what to do now that your gone..you went way too soon I was not ready for this!! You always helped me anytime I called, anytime I asked, @any situation it was, no questions asked, @anytime of the day, you were always there for me, and that is real & true unconditional love. especially when you would always say how you really admired my fiance, Charles for picking me up, the shamble I had become after DeeJay's death, and helped me become who I am today. The only thing is, you helped me too Perry, and I never got to thank you for that. You always helped everyone, you truly are a blessing and I'm so proud and honored that you were my friend. My beautiful daughter Aryanna loved you so much and i know you loved her too. But praise GOD we will see each other again! Glory be to Jesus Christ that we will meet again in heaven!!!
