

## Peter Norwood

September 19, 1962 - March 6, 2021

On March 6th, Peter Norwood, beloved husband, father, brother, uncle, veteran, and friend went home to be with the Lord at the age of 58 following complications from a stroke.

Born September 19 in Bucks County, PA to Ellis and Betty Norwood, Peter proudly served his country as an Aviation Ordnanceman (AO) in the U.S. Navy. After his service, he continued protecting our nation as an employee of the Department of Homeland Security, working at multiple airports for the TSA. Peter married Karla (Jarman) on September 27th in Lubbock. Due to his career, they moved many times. But, Anchorage, Alaska where their son Philip was born and raised, was truly Peter's favorite location of everywhere he called home.

Peter loved being a twin, scuba diving, all thing SYFY, the Seattle Seahawks but most of all listening to Philip play his trumpet.

Those left behind to cherish his memory include his wife of 35 years, Karla; his son, Philip; his mother, two sisters, five brothers and numerous nieces and nephews.

His family will receive friends from 5:00-6:30 p.m., Wednesday, March 10th at Sanders Funeral Home. Memorial service will be held at 2:00 p.m., Thursday, March 11, 2021 at Sanders Memorial Chapel.

In lieu of flowers the following organizations were special to Peter and will honor his memory: K-9's for Warriors or Patriot Paws, Disabled American Veterans and K-Love Radio.

His cremains will be interred in a National Cemetery at a later date. To view his memorial service and to send on-line condolences please visit his tribute page at [www.sandersfuneralhome.com](http://www.sandersfuneralhome.com).

*Peter I will miss our chats and our bets on who will win between the Eagles and the Seahawks. I never got you to pay up as the Seahawks always won. It was worth it just to know that it .are you happy and that made me happy. I still don't much care for the Sea chickens  
I am sorry that I did not get to visit you in Alaska. But running into you in Baltimore as I was getting on the elevator.has always been one of those brief moments when lost souls meet and a fond memory. It was the shocked looked that made it presious  
We never did get a chance to see each other while serving our country in the Navy. We crossed path once while crossing the pond. I waved and wished a speedy return home as that is where you were headed and I was taking my turn on watch.  
I was always proud to say you are my twin and that you lead the way for me.  
I will always love you and miss you. From one old sailor to another, may your journey be pleasant. Fair winds and following sea.  
To my every loving twin brother, god bless you and I will miss you.*
