“ What a great man to make my mom happy! We all know it takes a lot lol. I remember a couple weeks ago when I said you couldn't leave me to deal with her stubbornness. You laughed and was happy. We talked about your truck, and I may just go and try to get it in your memory sir. You were a very good man. I will cherish the memories we had. Go race some cars up in heaven!! Love you!

“ I met Randy thru work. I looked forward to his phone calls because he always had something to teach me. He believed in me and my ability to provide a solution. He spoke highly of his "guys" - he loved the Rhoads crew and was always eager to teach each of us involved in his work day. I didn't work for him just with him as a supplier and I can't say I've ever met anyone like him. His knowledge and his wit will certainly be missed. The world needs more people like Randy.
