

Randy Ray Ethridge

July 2, 1964 - April 29, 2018

On Sunday, April 28, 2018, Randy Ethridge, loving husband, best friend and soul mate to Tracie Ethridge and loving step-father to Kayla Klemmer, passed away suddenly at the age of 53 years. Randy will be forever remembered and deeply missed by his wife and step daughter.

Randy is best known by co-workers, friends and even short term acquaintences as patient, kind, and understanding. He willingly would go out of his way to help when an individual was in need even at the sacrifice of himself. He is loved by many and will be truly missed by his friends and coworkers.

For the individuals who truly know him, he is adamant about not having a funeral service. He is about celebrating life. He does not want sadness to surround his passing. He would rather us celebrate his life and share with each other fond memories of the time spent with him.

We will have a gathering to celebrate the honor of having this great man in our life at the Silver Bullet 5145 Aberdeen Ave Lubbock Tx 79414

Starting at 1:00pm till ??

“ To the love of my life, my best friend, my husband. The day will come that we will be reunited once again. Because of our love for each other, we have always been able to find each other. We will find each other again in a better place. My heart aches for your loving touch one more time. You have always been the better part of us. I miss you every second, every minute, every hour of everyday. Till we meet again my love.

Randy, I walk into my backyard and see you crouched down by my AC unit, making sure I won't roast in my newly rented place. You cared for me and mine and for that and more, I love you and will miss your presence on this earth. You will live in my heart
