“ Ray and Wanda became my friends when Shonda Lee came to Smyer High School. I was one of Shonda's teacher and a co-worker to Wanda. Ray came along on an FHA trip to transport a small group of students to a nearby event in his RV. They were such supportive, loving parents/grandparents of Shonda and other family members. They were loving friends to so many others. I am praying for all family and friends today in their loss. God Bless you all.

“ *He and Wanda, along with my grandfather-in law, Billy Brock and his wife Willie Jo, both shared with me and my wife, their passion for travel and RVs. Best friends on the road with a horizon ahead, and always new places to see. We own an RV now and will never forget our ventures with them all. Great guy! He will be missed. My condolences. -Micah Land*
