“ I have so many fond childhood memories with Ray. We always had so much fun during sleepovers, vacations and family gatherings. We would play video games, watch his WWF moves, and have the best time acting silly. He was the best sport and got along with everyone. Ray had the most kind spirit and brought so much joy to our lives. He will forever be missed and I will keep him forever in my heart. I love you so much, Ray!

“ My memories of Ray are of a boy that was happy wherever he was and with a big smile that filled his little face. He loved his family with every part of his heart. As a teen I remember his awkwardness because he was growing tall so fast. I always told him he was going to be my bodyguard and he would laugh. He loved to fish and enjoyed his trips to the bay house in Galveston. Ray made us all so very proud when he was accepted to Texas Tech and graduated from there. What an achievement! Ray's smile, kind heart and love for his family and friends will never be forgotten. I now have a bodyguard with golden wings that is watching over me. Rest in eternal peace Ray-Ray until we meet again. Love you always, Uncle Ronald & Aunt Cindy

May you rest in peace and we were all so lucky to have you in our lives.

“ I am so sorry for your loss. I just wanted you to know how bright of a light Ray was in my life. He was one of my first friends back in junior high when my family moved to Katy. We rode Ms. Sharon's bus together and I remember how he would get so excited to jump at the big bump at Houghton and Kingsland. He would always count down for our jump to get air time on that bump and even now, just talking about it brings a smile to my face.

High school is full of so many memories like almost burning my parents' house down with fireworks on the 4th of July, taking his truck and my car to get a car wash, pacesetter dances until I got hurt, and senior homecoming.

We are so very sorry for your entire family. Our hearts are broken! Ray Ray, as we used to call him, was always such a bright ray of sunshine! I remember his larger than life smile when he was working with his dad or hanging out in the tow truck with Rich and Bob. You may have only had him for a short time, but what a great gift he was. We never fully understand what God has planned, but I'm sure whatever God needed him for he will be amazing at!

We love you all 🙏

“ *My brother.... My best friend.....  
His smile was beautiful and contagious,  
His personality courageous.  
The love he had for others was unmeasurable.*

*Ray, one memory we both shared over and over together was the sleepovers in his Batman tent as children. He would just persistently bug me to play with him in his tent. Me being the sister I liked to dress him up and make him pretend he was the baby in the basket. He played along so well and was the best at laying in that laundry basket. He loved having someone to play with and I am so thankful I got to share his childhood with him.*

*His big sister, Rebecca*
