“ Uncle Bill, Billy, Julie- I am thinking of you all and sending love. Renee was so fun. I will always remember the way that my dad could get her laughing. They were always up to something! I love you all. -Tory

“ So sorry that I wasn't there.....missed being with you. Renee was a wonderful person to be with. I loved sharing jokes and funny stories with her. She used to come to my Mother's when I was visiting in Lubbock. She could play a mean game of scrabble.....she almost always won. I will forever miss her and her wonderful smile and laughter. They all made a place for her on the Heavenly fish bank.....and her uncle Larry even baited her hook !!! Love you all.....Z

“ Bill, Billy & Julie,
I'll never forget Renee's smile every time she was given something new to do with Tweety Bird. She had the largest Tweety Bird collection I've ever seen. Bless her heart! She will be truly missed but comforting to know she is no longer suffering. It helps to know she has reunited with her Mother, grandparents and other family members. My thoughts and prayers continue daily for all of you during this time. Love, Wanda
