“Dad, I miss you so much and that feeling will never go away or I will never get used to not having you close by. Every good quality that I possess is from you, there isn't a better father than the one you were to me and I will always be grateful for you. My biggest regret is you never got to see me be a free man but I know the day I walk out you'll be close by in spirit. I love you pop's and miss you everyday!
Love always, Jake
