“ *Dickie,
You were always there for us, no matter where we lived at the time. When we were fortunate enough to be able to spend time with you, your passion for life and family was inspiring. On a personal note, seeing you with them made me want to become a better father and husband. The bond(s) which you shared with Jennifer and Veronica was one of the strongest father-daughter bonds I can recall.*

Rest in Peace, Dickie. Your memory is a blessing to all who were lucky to know you, and you will always be with us in our hearts. We will always love you.
