

## Ricky Lee Eade, Jr.

December 17, 1974 - December 9, 2020

Sgt. Ricky Lee Eade Jr, 45, of Lubbock died Wednesday, December 9th, 2020.

Ricky was born December 17th, 1974 in Lubbock.

Ricky Lee graduated from Monterey High School and earned his Associates Degree in Applied Science from South Plains College.

He started his law enforcement career in 1997 at Texas Tech University in patrol, later joining investigations and most recently serving as Administrative Sergeant.

In addition to being a great law enforcement officer who would do anything to support his brothers in blue, Ricky was the epitome of a great family man. Every minute of his spare time was spent with his children and other family. Everything he did was for the good of his children, his family, his TTUPD family and his community. If you needed help with anything at all you could always depend on Ricky.

Survivors include his sons, Tyler Eade (fiancee Allison Hernandez) and Tanner Eade, parents Ricky Sr. and Amy Eade, brother Clifton Eade (Michelle), nephew Seth Lary, numerous aunts, uncles, cousins and friends and supporters too numerous to count.

The family wishes to extend their heartfelt thanks and gratitude to all the caregivers at Univeristy Medical Center in Lubbock, Hermann Memorial in Houston, the Houston fireman that generously and honorably brought Ricky home to us, Ricky's TTUPD family for their support and guidance especially

their care and concern for his children, and of course the outpouring of support from our great Lubbock community!

Visitation will be Tuesday, December 15th, 6pm-8pm at Sanders Funeral Home.

Memorial service will be Wednesday, December 16th, 1pm, St Luke's Lubbock Central Campus.

“ I still have no words, I lifted you prayer many times every day you were sick that our Lord would heal you. My prayers were answered but not the way anyone here wanted them to be God's will was carried out and you received the ultimate healing. Now those of us that are left behind will need to heal as many have unmeasurable grief. I have not gone a day without thinking about you, your laugh, smile, your sense of humor. Rest in the Lord and stand guard as you wait for the rest of us to join you on those streets of gold.

“ *Ricky, you are one special man. Everything you have done is for someone else's betterment be it education or just a smile. I will miss you beyond words, your smile, your soft voice, your dry humor, that sparkle in your eye when you wait to see my response to your comments. I miss you and will love you forever, my friend. Rest easy, hug God and Floyd for me. - paa*
