Thank you for filming this so that others could watch it. This service was beautiful! The last time I was at this place of remembrance was when I helped to carry Bob's father to his place of rest, and before that, his mother. They were the most amazing and loving grandparents to me. The pastor said, "We rejoice in this day, even in this time of loss." AMEN. If we could but see the Paradise that Bob is dwelling in now, all the more rejoicing would we have. I offer this prayer to the family.

"Thank you God for bringing Robert Benson Beck into this world, and for guiding and protecting him during his life, for the amazing children he and his wonderful wife Olga brought forth, whom Thou hast raised up to serve You, and for sharing Bob's earthly life of 82 years with us. His time here was a constant, calm blessing, and an extension of Your Grace. I pray now for his wife Olga, and for his children Robert, David and Kathryn, and for his grandchildren Sarah and Colton, that You would send Your ministering Angels to each of them, shelter and protect them, continue guiding them through Your Holy Spirit to do Thy Will, and give them the peace that passes all understanding. Thank you Ha'El hanne'eman, faithful God our Father, for hearing this prayer, and for giving us Your Holy and only Son, Our Lord and Savior Jesus Christ, whom thou servant Bob believed in." Amen

Revelation 7:17 - For the Lamb in the midst of the throne will be their shepherd, and he will guide them to springs of living water, and God will wipe away every tear from their eyes.

Maranatha!

'Uncle' Bobby taught me to drive a tractor at Grandpa Beck's gin, and then to drive a car from the gin in Littlefield to Muleshoe for lunches. I remember his quiet way, calm demeanor, soothing voice, and sense of humor. I have so many good memories of him from growing up and visiting Bob and Gladys. He and Olga raised amazing kids, and their oldest Robert is a good friend. I am grateful that he passed peacefully and I know I will see him again in heaven.
