“ I remember being very young and going to family reunions at Brownwood lake. All of our families would be there and I thought that was the best of times. I remember Robert's smile and laugh. We were all having such a great time. One time the men found a snake and were playing with it and it scared the heck out of me. I was always getting carried around and spoiled. I wish we could have kept up that tradition of having reunions out there and keeping in touch. One other thing I'd like to say is my dad sure did enjoy visiting with Robert these past few years. You'll never know how much it meant to him. Robert will surely be missed.
