

Robert Edward Morgan

May 18, 1953 - September 20, 2015

Robert Edward Morgan

Robert came into this world on May 18, 1953. He had two people awaiting his arrival with enough love to build a bridge around the World. He would be their first grandchild, and never would a new baby be as cherished as he. Robin left this World in the early afternoon of September 20, 2015. He had two people awaiting his arrival with enough love to build a bridge around the World. He was their first grandchild, and never was a new baby as cherished as he. His papaw gave him a nickname ... "Robin"; he was OK with his nickname until his teenage years when someone commented that Robin is a girl's name. And so it goes... He had a kind & gentle heart, and although he went through some bad times trying to become a man, to those that knew him best, he never stopped being "Robin."

Robert was a United States Air Force veteran having served his country honorably from

August 25, 1971 to April 21, 1975.

He is survived by his son, and daughter-in-law, Scott & Yvette Morgan; parents, William Edward Morgan and Joni Lawson Stanfill; sister & brother-in-law, Tammy and Hank Dubois; brother & sister-in-law, Billy Ray & Rhonda Morgan; Aunt & Uncle, Paula Lawson Harding & John Harding; Uncle & Aunt, Glenn & Shirley Lawson; Nephews: Bryan Dubose & family , Joel Dubois & family; Derek Dubose; Niece: Maureen Dubose Haynes & family. And many cousins that loved him.

Preceded in death by his grandparents, Thomas & Gwendolyn Lawson His former wife & mother of his son, Lisa Morgan Miller.

Robert's family and friends will come together in private to celebrate his life and remember the

unique way he touched each of our lives. And if he were here watching me put this together, he

would make sure that everyone knew the love, enjoyment and quality that came into his life

with that first visit to Silver Star Health Network for Seniors. Thank you all...you meant the world to him.
