“ *I was the youngest of nine. I remember my brother Robert would take us to the drive-in theater. We would drive around on Sunday and listen to the radio. (The shadow knows) A little scary, but we loved it! Going for ice cream, what a treat!! Loved going to Texas and visiting with him and his family. We will miss you, big brother!! Your little sister, Nathalie*

“ *Have good childhood memories of Uncle Robert who always took time to talk with the kids, and enjoyed connecting with him as an adult at recent family memorials. Thinking of him and his family with our prayers and blessings.*

“ Robert is my brother who has left me with many happy memories. I can remember when he bought his first car when we were living on the farm. My father was angry because Robert's car was really a junker

but we learned how to be mechanics. I can also remember playing with neighboring farm kids on weekends, sliding down hills in the winter and making pulp in the woods when it was 20 below zero.

Growing up we played together, fought together, laughed together and prayed together. I will always remember my yearly January trip with our brother , Father John Wisneski, to visit Robert and Maxine.

We were treated to the best spaghetti Lubbock had to offer. We are sorry that we are unable to attend Robert's service but our thoughts and prayers are with the family. God bless you all.
