“ Roger gave me my first job and my first paycheck when I was a teenager and did his best to teach me how to lay carpet and tile, and was extremely patient with me even though I didn't do very well. He was unfailingly kind and got me started on the right track as he taught me the joy of working hard and doing a good job. Just ran across this on the Internet and wished I had known sooner. I remember his wife and daughters very well. His girls were all elementary age when I knew him.

“ Dear Ritha and family, I'm so sorry for your loss. Roger was always there to answer my carpet questions. Just 8 months ago when I called with questions regarding Wendi's baby room he answered my questions and then some. I will miss him even though we didn't talk very often at all. Family I'm here should you need anything that I can help you with. See you tomorrow love you all Robin.
