“ My favorite memory and reason my daughter and grand daughter are name after Aunt Rose is a fight between Aunt Rose and Deana! It started over a pair of pants in the kitchen and moved from room to room throughout the house! There was kicking screaming and wrestling! A full on furs flying battle! It ended on Aunt Rose's bed, with Aunt Rose on Top of Deana laughing! Aunt Rose was my mom Dottie's best friend from CSH. Thier twisted sistership, started with a fight in front of the home! They battled untill they fell to the ground laughing and decided they would be friends, because neither of them ever wanted to fight the other one again! I lived hearing thier story. Aunt Rose's fighting spirit, is why Twin A was named Wynonna Rose! Aunt Rose asked that Wynonna pass the Rose to her daughter too. So we did. Im going to miss her huggs! So strong her huggs were. I'm going to miss playing face time games with her, and long phone calls. I love you Aunt Rose miss you and hope you are happy in heaven.

“ I don't know where to begin with a memory... I have so many memories that I could share. But the one I want every one to remember is your infectious laugh, and genuine hug. And when you loved, it was with all your heart. You will be in my heart forever and always until we meet again.
