“ I was fortunate enough to help hire Kirk at the Lubbock State School and then participate in getting him moved up to Unit Director level. That gave me the opportunity to work side by side with this gentle giant. Always eager to learn, always helpful, caring, patient and supportive. A great personality. Funny! Loved how he'd lean in and talk in that quiet voice whether serious or with a joke. Got to play golf with him many times when we worked together. Had a little contact with him after I left the state school and am sad I did not stay in better touch. Loved the man and will always hold him dear in my heart. So many positive qualities and no bad ones I could even think of. Hit them straight Kirk!

“ Mr. Coats, family, and friends. Please accept our most sincerest condolences. This has taken the entire Class of DSHS 1983 breath away. Kirk was just such a great guy, and the times we shared in High School were priceless. Kirk was an awesome "baller" and was well respected by all, not just for his athletic and academic abilities, but because he was just an awesome guy to be around. I know that he is already missed by all, but he will be in our hearts and thoughts forever. Rest easy #42. '83 Panther Pride 4Life.

“ *It is with the most up respect, love, and sadness that I send my deepest condolences to the family of the Coats. I want to first off start by saying that Kirk was a wonderful colleague, that I worked with at Daybreak. One of the best things about him was he had a smile that glowed from the heavens and gave hugs that would life the spirits of anyone. Mr. Kirk had a heart of gold and would do anything for anyone. I would like to just take the time to say a prayer for the family! God please heal the family during the times of need, please keep your hands on them as they travel down a path that only you will allow healing. In your name I pray. Amen.*

*The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.*

*Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.*

*Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.*

*You will be deeply missed but not forgotten, till we meet again my friend.*

“ I had the privilege of working with Kirk through Daybreak, and looked forward to the opportunities of our paths crossing. With a heart as big as he was I knew a hug was coming. I know he has made a difference in the lives of 100s of people with developmental disabilities and that there was a crowd of folks waiting to meet him on the other side. “ I have struggled the last few days with the words I want to share. Our world dimmed the day you left this earth. You were such an amazing man, mentor, friend, and leader. I am blessed to of known you for the last 10 years. Your kindness radiated to anyone you crossed paths with. You never knew a stranger. 7 years ago, you believed in me and gave me a second chance with Daybreak. I promised to make you proud and in my heart, I believe I did. To your family, I am deeply saddened by the loss of Kirk. I pray for healing in the days to come. I pray that God wraps you all in his loving arms and helps ease your pain.
