“ the anniversary, the day you took your final breath, when your eyes closed for the very last time, the last day your voice would ever reach my ears, the day i wish we reached you in time, the day our hearts would start that forever aching, when we found out how cruel both life and death could be, the last day we'd ever feel whole, the anniversary of the day you died and so many parts of us did too. rest in peace ill forever cherish all our memories together! until we meet again, dance in the sky and give my grandma lucy the biggest hugs for me. ❤️
