“ My Tia Santy was an amazing,funny,loud,sweet, generous,loving,smart, hardworker and great cook. She was a great wife,mother,sister,aunt,grandmother to all her beautiful grand babies. She loved life and enjoyed every min of it. Her sons were everything to her and we loved spending time with our family when we were little. As we grew up and all had a family of our own, we tried to stay in touch over the phone and thank goodness for Facebook. We will dearly miss you Tia, and our hearts our heavy with pain. But we know you are with God now and you get to visit with your mom our Buela and you get to also chat it up with your sister Tia Celia. May you RIP, we love you so much.
