“ *My Primo Severo, meant a lot to me. We had a very special bond. We would call each other all the time. Especially on holidays. Whenever he would come to visit us over here in Surfside Beach he would sit outside on the porch drinking a cup of coffee enjoying the nice breeze with the gulf waves. His son's would bring him down so he could go offshore fishing. He enjoyed that. I'm gonna miss you so much Primo. Till we meet again. Rest in Heaven.*
