“ *My deepest condolences to all of you in the family. Although you dont know me, I just wanted to share a couple of verses from the Bible which I hope you find some comfort from. The Bible in John 5:28 & 29 shows that very soon God will bring all our loved ones back to life to live forever on a paradise on this earth- this really means that Shana will be back with you all soon. Hope you find this comforting. May God give you the strength to cope with this tragic loss. If you would like to know more about the Bible's comforting message you can email me on joelsingh@msn.com .*
