“ *Shannon and her family lived down the street from my family from the time I was six until I graduated from high school. I have followed her on FB for several years. I will miss her and know that you will do so much, much more.*

“ *Shannon was a wonderful neighbor who welcomed me with open arms! We spent many hours together talking and raising our kids together for a wonderful 6 years. I know God welcomed her with open arms where she can celebrate with her loved ones who greeted her with great anticipation! I pray God's peace for her family.*
