

Dr. Sharon Ann McIntire

November 27, 1942 - April 12, 2026

Dr. Sharon Ann McIntire, a beloved mother, grandmother, great grandmother and child of her living Lord and Savior, Jesus Christ, passed away peacefully from natural causes on April 12, 2026, at the age of 83. Born on November 27, 1942, in Slaton, Texas, Sharon lived a life marked by resilience, love, and unwavering commitment to her family and community.

A proud graduate of Monterey High School in 1961, Sharon further pursued her education, earning her Bachelor's, Master's, and PhD degrees. Her dedication to learning complemented her professional journey as a mental health worker at MHMR-Lubbock, where she served as a Case Manager, caring deeply for the well-being of her clients. Her passion for mental health advocacy inspired many and left a lasting impact on those around her.

Sharon was also a devoted Air Force spouse, proudly supporting her husband as he bravely flew over 300 missions during the Vietnam War. Their family's journey took them around the world, with memorable years spent in Spain, Japan, the Philippines, and Germany, before returning to Texas. They settled in Lubbock in 1979, where she resumed her life-long membership at the First Christian Church.

A go-getter at heart, Sharon had an adventurous spirit. She enjoyed shopping and even took flying lessons, an expression of her zest for life and desire to

embrace new experiences. However, her greatest joy came from spending time with her family, including her son, Rob McIntire, and daughter-in-law Tina McIntire, and her other son, Michael-Jay McIntire, and daughter-in-law Ebba McIntire, and her cherished grandchildren: Mike, Kaitlyn, Sean, Jake, and Scott. She was also a proud great-grandmother to Meredith, Miller, Maeve, and William, who brought her immeasurable happiness.

Sharon's spirit will be honored at a memorial service to be held at Sanders Memorial Chapel on April 25, 2026, at 10:30 AM. Following the service, Sharon will be cremated, and her loved ones will cherish her memory as they gather to celebrate her remarkable life.

In the tapestry of life that Sharon wove, her love for her family and her commitment to service will continue to resonate in the hearts of all who knew her. She will be deeply missed but lovingly remembered.

Sharon was preceded in death by her husband, Robert "Bob" McIntire; her parents, Truman and Mildred Shelton and her brother, Michael Shelton.

Sharon was a very dear friend for over 32 years, as was Bob. She delighted in her son's, her daughters-in-law, and especially her precious grandchildren, and then her great grandchildren. Sharon never missed an chance to brag on all of them and their accomplishments. She was very proud of them all.

Sharon loved adventure and learning. While living in the Philippines, Sharon took advantage of the opportunity to study and get her Naturopathic Doctorate Degree, which she later used in Lubbock when she worked for a time in the clinic of Dr. Harland Wright.

At some time while living in Lubbock, Sharon studied and became a Lubbock County Sheriff's Deputy. When I met her she was active as a Reserve Sheriff's Deputy. She had also studied and gotten her credentials as a Travel Agent, which made way for she and Bob to experience some very interesting travels.

In the mid 90's Sharon and Bob were active Manatech Distributors. They loved using and sharing neutraceuticals.

At some point in their lives, Bob and Sharon also became very involved with Young Living and had the opportunity to attend special events with the company and tour company facilities

Sharon and Bob had great faith in our Lord and Saviour, Jesus Christ. They both always had a special love for people, and shared the love of God by leading Bible Studies for many years throughout their lives. I have no doubt that Sharon and Bob are currently in Heaven rejoicing with our Lord, and we will join them one day when our time on Earth is complete.
