After her retirement she focused on her grandchildren and spent many days and nights with them at her lake house, including spring break where the girls would spend the entire week with her and Ronnie. She also became a member of the Elks Lodge after her retirement and enjoyed the many charitable activities that the lodge engaged in.

“ I’m a cousin. My memories of Shawnee are mostly spending Thanksgivings with her and the family as a young child. I recall a very loving & strong lady with a great sense of humor and an infectious laugh. I know she’s in heaven with my mom and her granny having a marathon of a visit with non stop talking and laughing. My heart breaks for her family, Ronnie, Cody, Tye and for Ronnie B. , Gayle and Harry..... . I’m so sorry for your loss. Shawnee was a very beautiful lady inside and out. Shawnee and I share a love for dogs therefore my husband Mark and I will be donating to the link provided by the family.
Blessings ❤️🙏❤️

Thank you La Dohn. This means a lot to all of u. I know that she thought a great deal of you as well. One of my fondest memories is of watching her and Aunt Darla play scrabble and some other word game with dice. It could get heated. Darla would stay until she absolutely had to leave on Sundays. I can see them playing their word games in heaven. I

“ I think of Shawnee often. She was my cousin by marriage but was more like a favorite aunt. She helped me pick baby names for my kids. She and Cody kept my daughter Kelsay when she was only 2 months old, for 9 days when I was in the hospital. She gave me a job cleaning her house when my children were little. I wasn't very good at it and she eventually had to fire me but it was okay because I loved her. She sold me my first house. She let me cut and color her hair when I graduated from Cosmetology school. She was generous, kind hearted, had a wicked sense of humor and a great laugh and I will miss her so much. RIP 🙏❤️Gayla

Gayla, what a sweet sweet tribute to my big sister. You knew her well. She was everything you said and more! Her outlook on life was beyond measure. Her kindness was contagious. I loved her dearly. I can't imagine this life without her and as you stated so well "that wicked sense of humor". But, I know I will see her again and that gives me great peace. Love.....Gayle
