He attended school in Lubbock, Las Vegas, NM and Shallowater. As far as his school days Skeet challenged his principals with his antics such as threatening to lasso one and riding his horse, much, through the Junior High School. Skeet was a bouncer at the "Spoon" and later years he settled into grounds keeper at Texas Tech University for many years.

Skeet would offer the following advice to his family and friends: Take care of your mother. It will help you bear the loss when she's gone.

I have had many good friends through the years. Most of them I still thought of as friends; although I hadn't seen them in a long time. I would hope they still thought of me as a friend.

I know I am going to Heaven. I accepted Christ as my Savior and was baptized.

Preceded in death by his parents A. W. "Doc" Minnick and Lois Mae "Pat" Minnick.
