“ Bobby and Johnanna for years have asked for prayers for Stacie in her heroic battle against cancer, and we did. We also prayed for her amazing David and her equally amazing children Meagan and Tyler. Stacie blessed us for many years with her radiant smile, with her courage, with her enormous love for life, and with her unfaltering faith in God.

We are so thankful to have known her.

“ David introduced me to Stacie in the spring of 1989, while we were all at the SWBT training facility. By the end of the week I was calling her My Idol. I still do.

Sleep softly, my friend, my idol.

“ I was blessed to have known such an angel. She was my last boss at AT&T. Having worked under many bosses they always came in with the same old spiel "Family comes first" but never meant it so when Stacie came in saying the same thing, I waited for the reality to set in. Reality did set in, she really meant "Family comes first." Her soul was one of a kind and every time I had difficult people to deal with I always sought out her advice. She was an angel on earth. I will miss her so. My condolences to David, Tyler and Megan.

“ As an executive and a woman in charge of the well being of two step children I often try to emulate the strong women that have taught and come before me and more times than I can count I have found myself striving to come anywhere close to Stacie. This world has truly suffered a great loss when it said goodbye to Stacie. My thoughts and prayers are with Meghan, David and Tyler as well as the hundreds of people Stacie touched and changed for the better during her short time here.

“ Stacie was so gracious and kind, always had something nice to say when she visited the Kansas City office. We were all the same with her, loved seeing her, looked forward to her "pep" talks. Kim used to roll out the carpet for Stacie and we all understood why. Heaven has received a great angel. My condolences to her family.

“ Heaven just received a brilliant gem in our Stacie! She was one in a million...through all of her battles she was a Warrior but with such class, she possessed the most positive, upbeat attitude I have ever seen. I know I'm not alone when I state my life is richer for having Stacie as a Friend, Manager, and Mentor. There are so many of us feeling blessed to have had Stacie touch our lives.

David my thoughts and prayers are with you, Meghan, and Tyler and the rest of Stacie's family.

“ I too worked for Stacie and feel exactly the same way Susan Brillon. I've never met anyone else like Stacie. She was wonderful, sweet and gentle yet so strong. She was my boss & my friend and I told her long ago that she has a special place in my heart...and it will always be there.

David my thoughts and prayers are with you and your family.

“ Stacie was the strongest person I have ever met...her optimism and positive outlook on everything has made a lasting impression on me. I truly feel that she left a mark with every person that was fortunate enough to know her. She took me under her wing 16 years ago when I began working for her at Southwestern Bell, and I learned so much from her...she had such a sweet, genuine spirit, and I was proud to call her my boss, and my friend. My deepest sympathies to all of her family...love and prayers for you all.

“ I know you all don't know me super well except for Meagan of course. I was her hair dresser and as all ladies know, there is a close bond you develop and share with hair stylist/client She was so much more than a client. I loved her dearly. We constantly laughed, shared advice and stories. She sorta mentored me in her own way. My heart is breaking for your family during this time. Just to know She is running in heaven with the Angels right now makes me smile. Love to you all!

Stacie was one of those people who just glowed with love and happiness. When you saw her coming, it immediately made your day. My favorite memories of her were when our sons were best friends at Christ the King school. I got to spend a lot of time in her kitchen and she in mine as the boys played or picking them up from each other's houses. Later, I had the privilege of teaching both Meghan and Tyler at Monterey, and working with Stacie as an MHS parent. I will miss her sweetness and humor, but as a witness to her health struggles I can only rejoice that she is in the arms of Jesus now. Thank God for the gift of Stacie.

Stacie was a unique and beautiful soul from the very depth of her core! She taught me how to strive to be better in every way. I will always treasure our conversations, her leadership, love of God and family, and most of all her genuine caring of all people. My prayers are with her wonderful family in the loss of Stacie.
