“ Dearest Carolyn and Family,
So sorry for your loss. I know that words cannot fill the emptiness created by his passing but God's love can carry us through the many tough days ahead as I have experienced in the past few months and as you have experienced so many times. I admired and respected Ted so much. He was always so loving and supportive of me and my family. Love you all.

“ Carolyn and Family,

What a beautiful tribute to Ted. The words are so accurate in describing this beloved man. However, missing is the countless ways he was a true friend. He was so giving with his self to numerous ones. I am a truly blessed that I was his friend.

Ted was caring, thoughtful and honest in his love and concern of others. I am forever grateful Ted was my friend. Ted was generous to include my daughter to his big heart and then he added my grandchildren. Oh how they loved Ted.

Thank you for sharing your husband, father and grandfather with my family. Our friendship will always be a treasured time and forever in our memories.

May your family enjoy a time of remembrance, as you process through this time of loss.

I know we are thinking about all the fun movie nights, the meals we shared, and countless meetings and doings!! It was always lots of fun with Ted!

*Praying for you and loving you,
