“ Terry had 4 children not 3. And there's 6 additional grandchildren she never wanted to be a part of. I've been erased from my own mother's life. Real christian actions. I'm glad she was nice to strangers. You people don't know everything. Rest in peace. Too bad I had to find out thru a Google search that my mother was dead.

Also why was her own mother omitted from the obituary? You cannot erase us. She came from Mildred Beene, an amazing mother. And she gave birth to me her eldest daughter. We exist.

“ I am so saddened to hear this. Ms. Terry played a big part in our son Zachary's young life. We were foster parents and later adopted our son. She was very understanding and loving to our Zach. Many times Zach had visited their home to hang out with their son Andrew. We were blessed to call her a friend. May your memories carry you through out this time. We will be praying for the family.

“ Your mother Terry touched so many lives in the very best way. I will always be grateful she was a part of my life. May the special memories you have made together help you through this difficult time. Sending you love, thoughts and prayers to you and your families as you navigate through this difficult time. God is always with the broken-hearted. It's really hard to lose a mother, know that God is with you. He loves you and cares for you, May his love surrounds you and comfort you. Love Aunt Sherry and Family

I remember the little girl sitting on my lap in the submarine Nautalis at Disneyland. We had a fun day there with your cousin Jeff but the best day ever was the day that you accepted Jesus Christ as your personal Savior. Now your faith has turned to sight. See You in heaven. Aunt Jeanette
