“ Many wonderful memories with Aunt *Thelma*. The 45 “*Wake up a Little Susie*” she played for me, homemade *Banana Nut* ice cream for family reunions per my request and she always made me coconut meringue pie’s whenever I came to Texas in the summers growing up. Her jet black hair, home made clothes and matching jewelry, which on one of my visits she brought two bracelets out and give them to me, in remembrance in advance I suppose. I will always cherish them. Rest In Peace Aunt *Thelma*. I know all you Townsley girls are together and catching up in heaven.

I remember so many good times with Aunt Thelma & Uncle Chug. We had many dinners at our house in Lubbock, before moving to Okla. I remember what a good seamstress & cook she was, She taught me a lot about both, My boys Dewayne & Robert spent some nights with them & on one occasion she made each of them a pair of PJ's. Aunt Thelma, I will miss you and all my Aunt's & Mother that made it to Heaven before you. I know Granny is happy to have her family all together once again. Heaven is a little louder tonight with all the Townsley family talking at the same time. You rest in peace with them all. I pray God is with Gary, Paula, Doris & the rest of the Family with strength & peace during your loss.
