“ My grandmother made me several stuffed animals when I had none and was living out of state. She was a great cook and made me a huge breakfast when I was a child. I remember being shocked and surprised at all the food. She told me I could eat whatever and as much I wanted. She used to play dolls with me and I played dress up at her house. I have many loving memories of her and Grandpa. They were wonderful grandparents! In loving memory, Kelly Kirk Culhane and family

“ I have many fond memories of family gatherings at Grandma & Grandpa Kirk's home. She was a great cook & I'll never forget those delicious rum balls she made one Christmas - of which I ate way too many! She lived a long and loved life and will be dearly missed by many. Sending my deepest condolences and prayers for all.
