“ *I worked with Tom for the past 12 years. We were often on opposite sides of the fence at work but always found common ground, and with that our friendship grew. He was an inspiration to me professionally and on a personal level. Somehow, he kept me out of serious trouble. I am so grateful to him. I have known a lot of strong men,,,,,but Tom had strength beyond comparison; faith, determination, courage. He will be so missed , but I am so blessed to have known him. I wish I had words for the family but none suffice for a life of such a good man. W. Schoettle, D.O.*

“ I met first met Tom and Yvonne in 1979 while he was employed as a lead technologist at The Neuropsychiatric Institute in Fargo. I was without many friends and Tom extended his hand. He included me in all his various activities; his soccer team in the summer and broom ball teams in the winter – soon I had many friends and was able to be part of the fabric of the community. Tom, through his warmth and inclusiveness changed the trajectory of my life; he was a wonderful person that brought light into people’s lives

“ I knew Tom almost 12 years, but didn't really get to "know" him until these last couple of years. He was a very spiritual man and had a great sense of humor!! Tom will truly be missed not only at work, but in life! I'm grateful to have called him my boss and will miss him dearly. My thoughts and prayers go out to His family and friends.

“ I met Tom only once, Thanksgiving of 2014, at his daughter Bridget and son-in-law Tim's home. What a warm and outgoing guy, clearly in love with his family. What an inspiring spirit; to face the difficult diagnosis with such determination and open-mindedness about treatment options... 'seek and ye shall find'....he and his family did just that and they gained time and added memories. When I see Tim and Bridget's Wyatt, I see Tom and am thankful for that. My heartfelt condolences to all his family and colleagues.
