“ Tim and I played basketball together on the State Championship team at Hobbs High School during the 1968-69 school year. I remember him as a selfless and caring teammate and a wonderful person. I remember him fondly, too, in summer leagues at the HHS gym. In later life, we had more in common than I realized--we both went on to take English degrees from New Mexico State University. My condolences to his family. I will miss him greatly.

“ I was so sad to hear about Tim's passing. Mr. Tim called on us for years, but he would always ask how I was doing and check on my family before we would talk shop.

He was truly a gentleman, good salesman and friend. Tim will be missed!

We all here at Capital Farm Credit send our condolences to his family.

“ I was glad to know Tim. I work for United Supermarkets and we were one of his customers when he worked at Curtis and Thunder Graphics. Tim was one of my favorites. Not only did he do an awesome job in his work but he was just an all around good guy. He would always ask how life was going for me and if I had any fun vacations coming up. I'm going to miss seeing him. I would always enjoy his visits! My condolences to his family. He will be missed!

“ So sorry to hear of Tim's passing. He will always be little Timmy Tasker. One fond memory of Tim was when he was running after his dog Rags down a fairway in Cloudcroft, beer in hand and not spilling a drop. Rags was a huge dog, but, Tim won or at least Rags returned. Gentle man! He will be missed.

Tim was the best brother in the world. Kind, considerate, and on special occasions he was ornery and funny. Diane and Tim were very close. They attended the same University. Growing up Diane and Tim had terrific two handed set shot. Especially on Thanksgiving the three of them in the gym with the dogs, and Mom, and granddaughters and me. I think the winner got bragging rights for a year! They are al playing in heaven now. Love them so much. I had the best brother in the world. Love Nancy Lee

Condolences to the family. I have known Tim since he was a young kid growing up in our home town of Hobbs, New Mexico, where we both played basketball for his dad. Tim was on my freshman team at New Mexico State University when I coached there. Very knowledgeable and driven. Carolyn and I are thinking of the family at this time

Tim had the same demeanor as his dad - quiet determination. He was a great basketball teammate in high school and friend. A champion - just like the teams he played for and those he coached.

So sorry to hear of the loss of Tim. He had kind and gentle heart. We really got to know him when he spent a week with us in Austin with Diane. I am sure Diane has not stop talking since they reunited and without a doubt, they have had beers and desserts.

Remembering games played in the Tasker front yard, freshly cut beautiful lawn by Ralph and his push mower. What a fairy tale journey during all those formative years. We played baseball and basketball and many other games kids play with joy and dreams. We had the best of the best to look up to in those days. During the decade of the 60's, Hobbs was absolutely dominant on the high school hardcourts. There were countless heroes who were Hobbs Eagles and I think Tim was just like his dad, he knew every single one by name. I am also reminded that Tim was an above average safety on our vaunted full court press, bate 'em, rotate and steal, double team. He could see, anticipate and perform under pressure. Sunday afternoon basketball, he won many a Pepsi for sure. Over these last years, one of my favorite things to do was to call Tim and get him started on his Texas Tech Red Raiders. Tim was so observant and had such a natural feel for the game. His analysis and getting into the important details were amazing. Lastly, I'd like to say that Tim as a husband, father, and friend was committed, true and loyal beyond measure
