“ To the family you have my deepest sympathy and prayers, Timothy and I use to live across the street from each other, as kids in Michigan. His mother and my mom was friends. We attended the same church and school. R.I. P.

“ Prayers for comfort to the Family. I hadn't seen him in years. So many people move away, or have transitioned into eternity. I am younger than he but knew him through many friends. He had a great sense of humor, and was Mr. Kool. RIH my friend.
