Dear Bubba,

We miss you so much. Our hearts ache and are joyful at the same time. To know you are working away in Heaven with "your Jesus" visiting with Mom, Papa and Grandma Dunn, Papa and Grandma Walden, Aunt Addy Lois, Uncle Ted, Floyd, Mike and so many others is hard to even imagine. Yet, it brings a smile to my face every time the thought comes to mind. You walking on streets of gold, looking at walls of jasper, WOW!!! We have a hole left on earth for us which nothing will replace nor fill. Yet, we rejoice in the completion of your journey to the ultimate home we all strive to get to. Thank you for what you brought to us on earth, what you left us with to ponder and we look forward to the day we can get another hug from your tall frame. I love you more than word can ever express!
