“ Tina and I met at MCAD and we instantly hit it off and became friends. She was one of my absolute favorite people in the world! Her smile and laughter could make anyone's day the best! I will cherish all the fun times we had together and will miss her so much.

“ Our first memories of Tina was when she was born. Our children were older than her and they thought of her as a little doll. Growing up together we shared many good times and her laughter at our son Jeffery still rings in our ears. Extra special times were spent at Grandmother Ferns in either Muleshoe or Ruidoso. My fondest memory of Tina was when I spent a week with her when Collin was born. We anxiously await meeting her again at the Resurrection 🙏

“ Aunt Tina's smile was always the brightest in the room and her laugh was the most contagious - it was hard to be anything but happy around her! Her heart was bigger than most, and she always shared the wealth of her love amongst all her family and friends. My favorite was that love shown through her homemade cooking!! She made sure everyone had full hearts AND stomachs!! I will miss you, Aunt Tina. I love you. Forever in our hearts.
