*That was and awesome tribute to your mom. She always did have a smile and was fun to be around growing up. When the families would get together at grandma and grandpa Gottschalk's farm what great memories and other special gatherings. Now you are Tina Rose with quite a few family members especially your mom dad and brother rejoicing in their Love. You will be missed sweet girl. R.I.P. your pains are gone. ❤️ 🙏 God be with your family through these rough days— years ❤️ 🙏*

“ *Condolences to all of the family. Tina will be missed by all that knew her. She was a truly amazing person. When my mom was in the hospital a couple of years ago she drove all the way to be there with us. Mom still talks about waking up and seeing her. It meant alot to her that Tina came all that way but that was the type of person she was. Loved that smile and and laugh. She would say the darndest things and have you laughing. Will miss her. Hugs and prayers to all. Vicki*

“ *Our sweet Grandma,*

*She wore so many hats but no matter what she was going through personally she was always grandma. She loved her family and included my family like we were her own! When we lived in Lubbock she stepped up as a grandmother to my oldest son, Montrel and a bonus mom to me. I hold tight to her laugh and the fact that she was just REAL!!! She will truly be missed.*

*Tosha and family,*

*We love you and praying for your strength through this time.*
