“ I miss her!!! She was like a second mother to me. She was a very beautiful, strong, wise and compassionate woman who had a huge heart. She wasn't scared by no means to get dead in mine and Shanons ass when she knew we were up to no good or messing up. I was very fortunate to have several memories with her from calling each other on the phone...deaths...crying on each other's shoulders...long heart to heart talks...to doing her hair...to going out to eat etc...etc. I miss her but know she's in a better place now. I'll always have our memories to hang onto
