“ *To the family of Trudy Wren Jester - My father Bob Wren, her uncle, was the youngest of the Wren Clan and loved Uncle Billy so much. He always spoke of him and the family kindly. We may have not met with you but your family was a part of ours through my dad. Such a sad dad but as I stated before - Another Wren Flew home into the arms of family. The whole family is in our thoughts and prayers during this difficult time of your life.*
