“ You were a huge part of my childhood. You’ve done so many things for Jennifer and I and I just adored you. I can still hear your quiet laugh and the way you covered your mouth when you did laugh. The many times you made Jenn and myself laugh will be something that will always stay with me. The world has truly lost a magnificent, gracious, kind and all around just wonderful lady. I’m glad I got to visit with you just one last time. Even at your worst you managed to show me a smile. You will be truly missed ❤️
