“ I'm sad to know Gena passed away a year ago. I didn't know. I recently was talking to a friend who still works at the School of Art and he didn't tell me. Oh well, I retired a few years ago. Anyway, Gena was very nice to me. I didn't have a car for years and Gena gave me many rides to and from work. We had a lot of good conversations about this and that, you know. I know the family is missing her a lot. I still miss my mom and she passed away in 1994! Many condolences to all of y'all.
