“ Vlasta was my grandmother's sister (Hattie Lednicky). My memory of her was when she attended my wedding. We were coming back into the church to take photos and Vlasta was coming out. My grandmother had passed a few years before so when I saw Vlasta she looked so much like my grandmother it brought a tear to my eye. Her being there was like having my own grandmother there and it helped ease my pain. Vlasta will be missed by all who knew her. Coleen Crouch

“ Remember the great times we had with Debbie and Betty. When they came to visit Debbie had to wash her hair before going to the beauty shop. They always stayed with Aunt Aggie and Uncle Louie and sometime we got to stay there too. Those were the good old day which we will never forget. We will always hold those memories with the Makovy family. We will keep you all in our thoughts and prayers. Sorry we could not make the funeral she was the best.  
Love,  
Rita and Sara
